I spoke with [REDACTED] this afternoon. She had expressed concern about PFOA in her private drinking water well [REDACTED] I explained that a very comprehensive health study conducted in her area found no connection [REDACTED] **Ex. 6 Personal Privacy (PP)**
Ex. 6 Personal Privacy (PP) stronger recommended that she drink the bottled water being offered until such time when a permanent remedy is implemented. She said she would do so. I provided [REDACTED] with my phone number if she has any further questions.

Roger

Thanks, Nan. Given the topic of this inquiry, I'm forwarding to Jim and Roger in the Groundwater and Enforcement Branch.

Jim and Roger, please let me know if you'd like our assistance responding to this citizen.

Thanks,
Karrie

Hi,

Ex. 6 Personal Privacy (PP)

DuPont Washington Works facility is located in WV. DuPont Washington Works is now owned by Chemours. [redacted] received water test results on Saturday from a geologist who was testing private wells (on behalf of Chemours) in her community. [redacted] water comes from a private well. Once she saw her water testing results she called the geologist. The geologist told her to call us. [redacted] **Ex. 6 Personal Privacy (PP)** concerns about the safety of her water now that she has received her testing results. Her phone number is [redacted] **Ex. 6 Personal Privacy (PP)**
